**THISTED:**En 28 årig udenlandsk kvinde blev ved retsafdelingen i Thisted tirsdag idømt 20 dages ubetinget fængsel og udvisning af landet i fire år for en falsk anmeldelse af voldtægt.

Kvinden forklarede i retten, at hun havde været sammen med sin kæreste på asylcentret i Hanstholm og for første gang i sit liv drukket alkohol. Deres seksuelle samvær endte med, at kvinden om natten ringede til politiet og anmeldte ham for voldtægt.

Senere forsøgte kvinden at trække anmeldelsen tilbage, men for sent.

Den 28-årige kvinde, som kom til Danmark for et år siden og endnu ikke har fået afgjort sin asylsag, ankede dommen til landsretten.

# Convicted of false reporting

Woman wanted to stop reporting rape, but too late

**THISTED:** A 28-year-old foreign woman was sentenced at the court in Thisted on Tuesday to 20 days of unconditional imprisonment and deportation from the country for four years for a false report of rape.

The woman explained in court that she had been with her boyfriend at the asylum center in Hanstholm and had drunk alcohol for the first time in her life. Their sexual intercourse ended with the woman calling the police at night and reporting him for rape.

Later, the woman tried to withdraw the report, but too late.

The 28-year-old woman, who came to Denmark a year ago and has not yet had her asylum case decided, appealed the verdict to the high court.
